## 2019 National Para Championships

### **PRESIDENT'S WELCOME**

On behalf of the Board and staff of Table Tennis Australia Ltd., I extend a very warm welcome to all players, officials, administrators, volunteers and supporters to the 2019 National Para Championships which is being held in Murray Bridge, South Australia.

Special thanks to the Rural City of Murray Bridge for providing generous support to enable the event to be brought to the region. Thank you also to all event sponsors and partners including Table Tennis World, SAN-EI, Nittaku, AGMC, Medals Australia and My Sport Live; we could not put the event together without you.

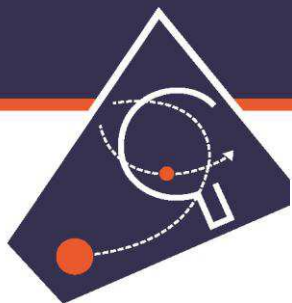

I commend Table Tennis South Australia for their role and contribution. This event is the first National Championships to be held under the new Event Agreement operating model, whereby TTA and State/Territory Associations work collaboratively to stage our premier events. Table Tennis South Australia have set the tone for all future events.

Thank you also to the Organising Committee for hosting this year's event – I am sure that there are many individuals who have put in a lot of hard work over the past year in order to ensure the event is a resounding success.

The National Para Championships is the premier para table tennis event held in Australia each year. This year has added significance given it is the first step for athletes on the road to qualifying for the 2020 Paralympic Games in Tokyo. I wish all athletes the best of luck and I hope you achieve your goals. Whilst it is not possible for all players to win, provided you play to your best and conduct yourself in a sporting manner, then that is all that matters. I fervently hope that all players enjoy these Championships.
