

# 31st Australian Veterans Table Tennis Championships

## Over 30 Women's Teams

We have two nominations for Over 30 Women's Teams, one from Tasmania and one from Victoria. This is not enough teams to form an Over 30 Women's grade, so both of those teams will play in the Over 40 Women's Grade, as we have done in past years.

We have 11 teams in the Over 40 Women's Grade (including the Over 30 teams), which means that we will have two divisions. The Over 30 teams are split, with one in each division. The Regulations dictate that the matches involving the Over 30 teams cannot be considered when determining the result of the Round Robin in each division, so the Over 30 teams will effectively finish last in their divisions.

The final section of cross-over matches following the Round Robins will involve the team finishing 5th in Division B (an Over 40 team), and the two Over 30 Teams. The team finishing 5th in Division B will play the Over 30 team from Division A. The result will not change anything, as the 5th placed team from Division A will finish 9th in the overall standings, but this will give the 2 teams an extra match. The two Over 30 teams will then play each other, and this will be the Gold Medal match for the Over 30 Women's grade.
